

Story of two women, two sisters

MARY	MARTHA
Is CONTEMPLATIVE	Is ACTIVE
Is about BEING	Is about DOING
But Mary chose the GOOD PORTION	Martha thought she was going to serve Jesus the GOOD PORTION
JESUS is our GOOD PORTION that will never be taken away	
Time with Jesus lasts, is a gift forever	A meal is temporary
We live in a MARTHA world	
<p>We are: TROUBLED ANXIOUS DISTRACTED</p> <p>But God built this world to be a MARY's world with MARTHA moments When Sin entered the world it turned it to a MARTHA world, in which we have to fight for MARY moments. The rhythm of our day is to be MARY first, then MARTHA. Spend time with Jesus, then get stuff done.</p>	
Worship like MARY	Then work like MARTHA
Worship God before you work, then you can worship God in your work	
We want MARY's HEART	And MARTHA's HANDS

Sisters, are you MARY or MARTHA?

Who should you be? [This story tells us that we need to sit and listen and learn to love]
