# Why care for creation?

1. Because God does
2. Because it is a matter of justice
3. Because God has given us hope

Jesus is described not just as the Saviour of fallen humanity, but as the one for whom all creation was made – and as the one through whom all creation will one day ‘be liberated from its bondage to decay’ (Colossians 1: 15-17; Romans 8:19-23).

We do not know how all this will be accomplished, but we are given motivation and hope. The Almighty God who created and sustains his world wants all people to be actively involved in this great plan to redeem the whole of creation.
