## HELEN KIM MEMORIAL SCHOLARSHIP LEADERSHIP DEVELOPMENT TRAINING PROGRAMME FOR YOUNG WOMEN

### INTRODUCTION:

It was a long-held dream by many in World Federation leadership that there be a regular opportunity for young women to attend a World Federation Assembly and experience unique fellowship and community spirit. Prior to the Assembly they also have high quality leadership development training with people with similar interests and involvements from many other countries.

The programme is in honour of Helen Kim, who, as a young Korean woman, had a Christ-inspired vision of a world sisterhood. She dreamt of a time when women could work together '*to promote peace and better conditions in the whole world.*' The World Federation of Methodist & Uniting Church Women is the outcome of that vision.

The hope is that the Helen Kim Memorial Scholarship Programme will also inspire young women with visions of a world where there is:

- hope for the hopeless;
- security for the insecure;
- sufficient for the impoverished;
- freedom for the oppressed; and
- a voice for the voiceless.

### 1. Criteria:

Two young women from each of the World Federation Areas will be given the opportunity to attend the World Federation Assembly.

This is preceded by a Leadership Development Training Programme, in which they:

- acquire skills from an expert in leadership development;
- participate in community building amongst young women from all Areas;
- build relationships with members of the Executive Committee and the World Federation Representative/s to the United Nations.

### 2. Eligibility:

Helen Kim Memorial Scholars are:

- aged between 18 and 30 years at the time of the World Federation World Assembly;
- committed members of a Methodist, United or Uniting Church;
- involved in women's issues and/or church work;
- young women who have shown leadership abilities;
- able to state ways in which they will be able to share their newly acquired skills;
- nominated by a member of their local World Federation Unit; and
- endorsed by their Minister and the Unit President.

### 3. Selection Processes:

- The World Secretary will email the Helen Kim Memorial Scholarship Application form to each Unit in the first week of August, one year prior to the World Assembly;
- Completed Application forms must be submitted to their World Federation Area Presidents by October 31<sup>st</sup>, one year prior to the Assembly;
- The Area Presidents, in consultation with her Area Vice-President, will short-list four Applicants and forward their Applications to the World Officers for final selection;
- The World Officers will inform the Areas of all names of the Scholars selected by December 15<sup>th</sup>, one year prior to the Assembly.

#### **4. Financial Implications:**

- The World Federation will provide two Helen Kim Scholars from each Area with accommodation and travels costs to the World Assembly; and
- After the 18 Helen Kim memorial Scholars have been selected, confirmed and fully funded, if nominating Units wish to send candidates from the remainder of the original short-list, they may do so at their own expense.

#### **5. Helen Kim Memorial Scholarship Capital Fund:**

There is a Helen Kim Memorial Scholarship Fund to provide income on an ongoing basis for each quinquennium.

Costs involved include travel costs for the 18 Scholars and the Facilitator/s, accommodation costs at the World Assembly venue, and any expenses in the Leadership Development Training Program.

#### **6. Fund Raising:**

- In 2016 at the 13<sup>th</sup> World Assembly in Houston it was agreed to dispense with the previously agreed US\$50 per Unit each quinquennium, because money from the increase in Affiliation Fees to US\$0.10 per member per year would provide sufficient funds for income for the Capital Fund;
- Individual donations and legacies are encouraged;
- Units are encouraged to raise funding through special collections at Area/Unit gatherings/functions, using effective ways or ideas relevant to their community;
- Other appropriate organisations and trusts may be approached for grants and donations; and
- Funding may also be received from organisations which wish to sponsor additional young women from a specific Area.

#### **7. Time Line:**

A bank account for the **Helen Kim Memorial Scholarship Fund** will be maintained. It shall be solely for the Program and any change of concept or use of funds raised may only occur by decision of the World Executive Committee. Existing or new funding from other sources which fit within the criteria of the Programme may be added to the Fund.

#### **8. Accountability:**

- The World President is responsible for the implementation and overview of the Program.
- Information is to be published in every possible way, including *Tree of Life*; the World Federation website, circulars to Areas and Units, and in flyers inserted in all mailings.
- The Helen Kim Memorial Scholarship Programme shall be encouraged at World Federation World Assemblies.
- All personal information shall be strictly confidential.
